Re: Standards Update for the 700 MHz Band, WT Docket 96-86

Dear Ms. Dortch,

On October 6, 2004 the Telecommunications Industry Association (TIA) filed an Ex Parte submission in the above captioned proceeding. This submission referenced a TIA, Private Radio Section document summary (20040913 TIA TR8 Doc Summary) that should have been attached to the electronic submission. However, the document summary was inadvertently not included in the filing.

Accordingly, we are resubmitting the original October 6, 2004 Ex Parte filing, along with the document summary attachments, to ensure that the record is complete.

Respectfully submitted,

Private Radio Section
Wireless Communications Division
Telecommunications Industry Association
